

Common Human Resource Information Standards

Officer Graduate Training Completion Date

Officer Graduate Training Completion Date is the calendar date on which an officer completes a stage in graduate training after receiving a professional degree.

Permitted Values

NA

Structural Business Rules

A calendar date must have a day, a month, and a year including century (i.e., YYYYMMDD).

A residency may follow an internship or the internship may be considered the first year of the residency (i.e., initial residency training).

A DoD Military Service member's time spent in Graduate Training may count as creditable service when the DoD Military Service member does not complete Graduate Training due to a military operational requirement.
