

Common Human Resource Information Standards

Military Unit Address

Military Unit Address is the postal address associated with a unit within a DoD Military Service's force structure.

Permitted Values

NA

Structural Business Rules

A DoD Military Service member inherits a Military Unit Name, Military Unit Address, and Military Unit Geographic Location through an association between the Member Permanent Military Unit Identifier / Member Temporary Military Unit Identifier and Military Unit Identifier.

A Military Unit Identifier must have only one associated Military Unit Name, Military Unit Geographic Location, Military Unit Address, and Military Unit Activation Date at a time.
