## Member Officer Responsibility Special Pay Amount

---

Member Officer Responsibility Special Pay Amount is the dollar amount paid to a DoD Military Service officer for a monthly special pay.

### Permitted Values

NA

### Structural Business Rules

Officer responsibility special pay accrues from the date the assignment begins through the date the assignment ends.

A dollar amount must have at least one numeric character followed by a decimal point and two numeric characters, or when the amount is less than one, a decimal point followed by two numeric characters.

Member Officer Responsibility Special Pay Amount must have an associated Member Officer Responsibility Special Pay Start Date.

Member Officer Responsibility Special Pay Amount must have an associated Member Officer Responsibility Special Pay Stop Date when eligibility for responsibility special pay allowance ends.
