

Common Human Resource Information Standards

Member Sold Regular Leave Payment Amount

Member Sold Regular Leave Payment Amount is the dollar amount paid to a DoD Military Service member in exchange for his/her unused accrued leave.

Permitted Values

NA

Structural Business Rules

A DoD Military Service member may have zero, one or many Member Leave Day Sell-Back Payment Amounts over time.

A Member Leave Day Sell-Back Quantity must have an associated Member Leave Day Sell-Back Payment Amount and Member Leave Day Sell-Back Payment Effective Date for each instance of sold back leave.

A dollar amount must have at least one numeric character followed by a decimal point and two numeric characters, or when the amount is less than one, a decimal point followed by two numeric characters.
